LISMORE & DISTRICT NETBALL ASSOCIATION 2023 MASTERS GAMES

Magenta Community Services proud sponsors of the Netball program.

LDNA Executive would like to thank "Magenta Community Services" for their generous sponsorship for the 2023 Netball program at the Master Games.

~~~~ An insight on Magenta Community Services ~~~~

Our story began in 2013 when the organisation was established by Tony and Jonny Iuso in the Northern Rivers region of New South Wales. Driven by their passion and dedication, Tony and Jonny's vision centred around the provision of personalised and accessible services that focus on people. The organisation became a vehicle for accessing the National Disability Insurance Scheme (NDIS) and My Aged Care services.

Tony and Jonny's connection to the disability and community sectors stems much deeper than their more than 30 years of professional experience. It embodies their life work and the memory of their daughter, Emily. Born in 1992 with major health complications and diagnosed with a disability, Emily tragically passed away in 1996 leaving a legacy that both Tony and Jonny feel is their vocation.

Passion and determination culminated in 2013, and Tony and Jonny took a leap of faith to establish the organisation. When the doors opened in July, services supported one person. Fast forward to today and Magenta supports nearly 500 people each year across Central Queensland, Southern Queensland, and the Northern Rivers and New England regions in New South Wales.

Today Jonny is Managing Director and Liam (Tony and Jonny's son) has joined the ranks as a support worker.

Magenta Community Services is proud of its grassroots history. A history that embodies compassion, kindness and cooperation, and is propelled by a heartfelt vision to make a genuine difference to the lives of others.

**NETBALL LEGEND** for 2023 is Tammy Yates-Allen.

Tammy is the LDNA Net Set Coordinator and Saturday mornings she can be found "on court" surrounded by 29 very excited 5-10 year old boys and girls who are eager to play netball.

Tammy is a valued member of the Lismore & District Netball Association, not only as a player but also as a coach, umpire, and Club administrator.

Netball at Lismore for Tammy spans 30 plus years, first as a player then going on to umpire, coach and stepping up to take on administration roles at club level for several clubs over her netball journey.

Tammy is the President of Phoenix Netball Club, a club which was formed in 2020 with 4 teams and in '23 they now have 8 teams. It is a family affair for Tammy with 3 daughters and a son all playing with Phoenix this season.

Tammy is currently studying at Southern Cross University enrolled in Bachelor of Sports and Exercise Science and is employed by Netball NSW as a Development Officer which involves conducting netball sessions in schools from Iluka to Mullumbimby.

### ***Welcome letter from the President***

Welcome everyone to Lismore & District Netball Association's 2023 Masters' Netball event. Whilst numbers registered might be down this year, we are grateful to those who are with us to make Netball Women's first choice in sport.

As you will see LDNA has not fully recovered from the devastating flood in early 2022 that left Lismore Netball with virtually nothing. The flood waters reached to just under the top floor windows at the front of the clubhouse. 18 months on and we are still struggling, however, we are indebted to all our members, the netball community far and wide as well as the generous donors and supporters during these past 18 months.

We have been operating from under tents for our control area as well as a makeshift canteen for both the 2022 and 2023 winter seasons. Yes, there has been tiring times and our patience has been tested on numerous occasions, however we see the future for Netball in Lismore looking very bright for 2024 and we can see the light at the end of the tunnel.

Your participation this weekend is appreciated, and we will endeavour to provide you with the best competition/social environment as possible.

Kind Regards,  
Melissa Dundas

President – Lismore & District Netball Association Inc. 2023

## **Food**

Without a clubhouse we are struggling to provide a canteen. We only have 1 power outlet available and for us to provide what we usually have for players is impossible this year.

We have "The Big Skimmos Takeaway Food Van " in attendance on Saturday and Sunday. Have a look at their Facebook page to see what they will be providing.

An email will be sent to all managers with menu items available for breakfast, lunch & snacks for Saturday & Sunday.

On Friday we are asking that all players make it a "Picnic Day" and provide you own food and snacks for the day.

Some suggestions.

Coles & Woolworths both at Lismore Square (400 mtrs away) and Farmers Charlie a local fruit and vegetable shop (1 km away).

\* Woolworths - salad wrap platters and grazing table platters

\* Coles - wraps platters, fruity bite platters and grazing platters

\* Farmers Charlies a local Fruit & Vegetable shop – fresh sandwiches & fruit salad and a lot more for a picnic lunch.

Bakeries, Southside Bakery (South Lismore) and Bernie's Bakery (Goonellabah) will also have an assortment of sandwiches and cakes.

We can provide players with a water station (kindly donated by Koellner Steel Ballina & Nathan Cant Plumbing Ballina) to fill up water bottles and large containers.

In the past we have struggled to have sufficient umpires for the semi-finals for all divisions. Teams may have to supply their own umpire for the semis, but they will be allocated to another game in that time slot.

For the finals and grand finals, we will be asking for umpires to help. Please submit your name to control on Friday if you are available.

Team umpires were to be a badged umpire or a competent adult. I can see that teams have struggled to find as required, so please players have patience with the umpires calls and be respectful.

Good Luck to all participants – Play fair, respect the umpires please but most importantly enjoy your netball.

Many thanks
